## Too Literal a Change.

One night when Viola Allen was playing Parthenia in "Ingomar," she once leaned pensively against a set piece and soliloquized sadly: "What sudden change has come upon the world!" On the instant the set piece overturned with the actress, leaving only one sandaled foot projecting in sight of the amused spectators.

## YOUNG WIFE SAVED FROM HOSPITAL

Tells How Sick She Was And What Saved Her From An Operation.

Upper Sandusky, Ohio.—"Three years ago I was married and went to house-keeping. I was not feeling well and could hardly drag myself along. I had such tired feelings, my back ached, I had bladder trouble awfully bad, and I could not eat or sleep. I had headaches, too, and became almost a nervous wreck. My doctor told me to go to a hospital. I did not like that idea very well, so, when I saw your advertisement in a paper, I wrote to you for advice, and have done as you told me. I have taken Lydia E. Pinkham's Vegetable Compound and Liver Pills, and now I have my health."

"If sick and ailing women would only know enough to take your medicine, they would get relief."—Mrs. BENJ. H. STANBURY, Route 6, Box 18, Upper Sandusky, Ohio.

If you have mysterious pains, irregularity, backache, extreme nervousness, inflammation, ulceration or displacement, don't wait too long, but try Lydia E. Pinkham's Vegetable Compound now.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and such unquestionable testimony as the above proves the value of this famous remedy and should give every one confidence.

Don't be a claim, my son; but if an old friend comes to you and asks for the loan of \$5 until Saturday night, just close your shell for repairs. It may look rude, but under some circumstances it is better to leave than to be left.

A carpet, which took three years in the making, is one of the treasures of the Gaekwar of Baroda. The carpet is only ten feet by six feet in size, but it is woven from strings of pure pearls, with a center and corner circles of diamonds. The magnificent fabric cost £200,000 (\$1,000,000), and is guarded in the Maharajah's treasure room.

## FORTUNES IN FACES

There's often much truth in the saying "her face is her fortune," but it's never said where pimples, skin eruptions, blotches, or other blemishes disfigure it. Impure blood is back of them all, and shows the need of Dr. King's New Life Pills. They promote health and beauty. Try them 25 cents at R. H. Ligon's.

New York's Greatest Borough. Manhattan, one of the five boroughs comprising greater New York and its most important borough, is approximately fifteen miles in length, from the Battery to the city line, and about five miles at its greatest width. Its frontage on the water, together with the shipping facilities of the entire city, is 444 miles, or equal to the distance between the city and Buffalo on Lake Erie.

Hotel Clerks' Chance. A remarkable piece of quartz formation is on exhibition in a Biddleford store window. It is half of a large round stone about six inches in diameter and is deeply hollowed. Looking into the hollow, one sees innumerable brilliant crystals. It is a very fine specimen. The rock was found in Saco in Common street 12 feet underground.—Kennebec (Me.) Journal.

For Mending Valuable Glass. Objects which would be disfigured by common cement may be securely mended with chrome cement. Stops itching instantly. Cures itches, eczema, salt rheum, better, itches, hives, stings—Donn's Ointment. At any drug store.

Brutality of the Crusaders. Few cities are said to have been besieged and taken so many times as Constantinople. Since the middle of the sixth century it has undergone 26 sieges and has been captured eight times. But its worst experience was in 1204, when it was captured by the Crusaders. The city was given up to pillage, and the so-called Christian warriors are said to have acted more barbarously than Turkish invaders have ever done.

For a mild, easy action of the bowels, a single dose of Donn's Regulites is enough. Treats cures habitual constipation. 25 cents a box. Ask your druggist for them.

Toasts Worth Recording. A rustic English saying runs: "Here's to the poor man. May his beef and beer keep on increasing year by year. May his dear little wife be the joy of his life and never kick up a racket. May she do as she can to please her old man and mend up his old ragged jacket." Better still is this version: "Here's to the loaf that never crumbles; here's to the wife that never grumbles; here's to the horse that never stumbles." To which one might be tempted to add: "Here's to hope."

Existence an Aim. Life is a mission. Every other definition of life is false, and leads all who accept it astray. Religion, science, philosophy, though still at variance on many points, all agree in this: that every existence is an aim.—Mazini.
